Subject: Agreement for Management System & Production System – Webxkey Agreement (WXK2611)

Dear Client ,

We are pleased to formalize our agreement with WebxKey Pvt Ltd for the design, development, and implementation of a customized Management System for Enterprises Pvt Ltd.

1. Scope of Work

A fully managed system tailored to our operational requirements.

1. **Stock Management System**

A comprehensive system to track, manage, and control inventory operations efficiently. This module will include:

- Integrated Modules and Features:
  - Product Management (Add, update, view, and delete products)
  - Category & Supplier Management
  - Stock In/Out Tracking
  - Real-Time Stock Level Monitoring
  - Batch & Expiry Date Management (if required)
  - Low Stock Alerts & Notifications
  - Import/Export Product Data (CSV/Excel)
  - Generate Stock Reports

2. **Billing & Sales Module**

A streamlined billing system for fast and accurate sales operations. This module will include:

- Integrated Modules and Features:
  - Quick & Custom Billing Interface
  - Customer Management (Add, update, view customers)
  - Discounts, Offers & Tax Calculation
  - Multiple Payment Methods (Cash, Bank Transfer, etc.)
  - Customer Due Management
  - Cheque and Return Cheque Management
  - Print/Receipts & Invoices (Custom Branding)
  - Daily, Weekly & Monthly Sales Reports.

3. Reports Module

A centralized module that generates comprehensive analytical and operational reports across all departments.

- Integrated Modules and Features:
  - Real-time Data Analytics Dashboard
  - Stock, Billing, and Expense Summary Reports
  - Sales vs Expense Comparison Reports
  - Profit/Loss Reports
  - Exportable Reports (PDF/Excel)
  - User-based Access for Report Viewing

4. **Accounts & Purchases Management Module**

A comprehensive module to handle all accounting, purchase, and financial workflows efficiently.

- Integrated Modules and Features:
  - Daily Purchases Entry
  - Monthly Purchases Summary
  - Purchase Orders Management
  - GRN (Goods Received Notes) Listing
  - Returns Management
  - Add Return
  - Return Commissions
  - Add Purchase Return
  - List Return Purchases
  - Cheque & Bank Transactions
  - Financial Reports Integration

5. **Sales & Registers Management Module**

A module to manage sales, track daily and monthly performance, and ensure register accuracy.

- Integrated Modules and Features:
  - Daily Sales Entry
  - Daily Sales Graphs
  - Monthly Sales Summary
  - Monthly Sales Graphs
  - Close Registers Workflow
  - Warehouse Stock Reports
  - Product Reports
  - Current Outstanding Reports

2. Production Part

- **Supply Chain & Production**
- **Cost**
- **Product Manufacturing**
- **Report**
- **Target assign**
- **Salary Management**
- **Staff Management**
- **Attendance Management**
- **Assign to Sale Stock**

3. Terms & Conditions

- Payment Breakdown:
  - 50% upfront as an initial payment
  - 20% upon successful system deployment

- Any modifications or decisions made during the course of the project without our prior consent will not be our responsibility.
- Customisation & Additional Features:
  - Any additional functionality requested beyond the agreed scope will be subject to a separate quotation.
  - Each additional feature, based on requirements, may cost up to LKR 4,000, depending on complexity and implementation needs.
  - Payment for such additions is required prior to development.
- Confidentiality:
  Both parties agree to maintain confidentiality under a Non-Disclosure Agreement (NDA).
  Upon receipt of full payment.
- Change Management

WebxKey Pvt Ltd will not be held responsible for any system changes or decisions made by the client without prior written approval.

4**. Acceptance**

Please sign below to confirm your acceptance of the terms outlined in this agreement. For any inquiries, feel free to contact us at info@webxkey.com or call +94 755 299 721.

We appreciate the opportunity to partner with you and are committed to delivering a high-quality solution. We look forward to a successful and lasting collaboration.
