Subject: Agreement for Stock Management & Billing System – Webxkey Agreement (WXK2514)

Dear Client ,

We are pleased to formalize our agreement with WebxKey Pvt Ltd for the design, development, and implementation of a customized Stock Management & Billing System for USN Auto Parts.

1. Scope of Work

A fully Stock Management , CRM & Billing System tailored to our operational requirements.

1. **Stock Management System**

A comprehensive system to track, manage, and control inventory operations efficiently. This module will include:

- Integrated Modules and Features:
  - Product Management (Add, update, view, and delete products)
  - Category & Supplier Management
  - Stock In/Out Tracking
  - Real-Time Stock Level Monitoring
  - Batch & Expiry Date Management (if required)
  - Low Stock Alerts & Notifications
  - Import/Export Product Data (CSV/Excel)
  - Generate Stock Reports

2. **Billing & Sales Module**

A streamlined billing system for fast and accurate sales operations. This module will include:

- Integrated Modules and Features:
  - Quick & Custom Billing Interface
  - Customer Management (Add, update, view customers)
  - Discounts, Offers & Tax Calculation
  - Multiple Payment Methods (Cash, Card, Bank Transfer, etc.)
  - Customer Due Management
  - RC Management
  - Print/Receipts & Invoices (Custom Branding)
  - Daily, Weekly & Monthly Sales Reports.

3. **Expenses Management Module**

An efficient module to manage and monitor all company expenses and financial outflows. This system will ensure transparency, accountability, and ease of financial tracking.

- Integrated Modules and Features:
  - Expense Category Management
  - Add, Update, and Delete Expenses
  - Daily, Weekly, and Monthly Expense Reports
  - Export Expense Data (CSV/Excel)
  - Expense Approval Workflow (optional)
  - Integration with Billing & Stock Modules
  - Add Expenses
  - List Expenses

4. **Reports Module**

A centralized module that generates comprehensive analytical and operational reports across all departments.

- Integrated Modules and Features:
  - Real-time Data Analytics Dashboard
  - Stock, Billing, and Expense Summary Reports
  - Sales vs Expense Comparison Reports
  - Profit/Loss Reports
  - Exportable Reports (PDF/Excel)
  - User-based Access for Report Viewing

5. **Staff & HR Management System**

A complete HR management module designed to streamline staff operations and salary management.

- Integrated Modules and Features:
  - Employee Registration and Management
  - Attendance & Leave Tracking
  - Salary Calculation (Fixed & Variable)
  - Payslip Generation (Printable & PDF)
  - Monthly Payroll Reports
  - Performance & Department Reports
  - Staff Data Export (CSV/Excel)

6. **Accounts & Purchases Management Module**

A comprehensive module to handle all accounting, purchase, and financial workflows efficiently.

- Integrated Modules and Features:
  - Daily Purchases Entry
  - Monthly Purchases Summary
  - Purchase Orders Management
  - GRN (Goods Received Notes) Listing
  - Returns Management
  - Add Return
  - Return Commissions
  - Add Purchase Return
  - List Return Purchases
  - Cheque & Bank Transactions
  - Financial Reports Integration

7. **Sales & Registers Management Module**

A module to manage sales, track daily and monthly performance, and ensure register accuracy.

- Integrated Modules and Features:
  - Daily Sales Entry
  - Daily Sales Graphs
  - Monthly Sales Summary
  - Monthly Sales Graphs
  - Close Registers Workflow
  - Warehouse Stock Reports (Thihariya)
  - Product Reports
  - Current Outstanding Reports

8. **Reports Module (Expanded)**

In addition to previously defined reports, this module will now include:

  - Daily and Monthly Purchases Reports
  - Purchase Orders and GRN Reports
  - Returns and Purchase Returns Reports
  - Cheque & Bank Transaction Reports
  - Sales and Register Reports (Daily & Monthly with Graphs)
  - Product and Warehouse Stock Reports
  - Outstanding Accounts Summary

2. Terms & Conditions

- Payment Breakdown:
  - 30% upfront as an initial payment
  - 50% Middle of the project
  - 20% upon successful system deployment
- Monthly Support Fee: LKR 2,000, payable on the 1st of each year
- If you require server hosting, we offer our own reliable and cost-effective server platform. Compared to other providers, our solution is both affordable and easy to maintain. We highly recommend this option for seamless system performance and support.
  Pricing Options:
- Any modifications or decisions made during the course of the project without our prior consent will not be our responsibility.
- Customisation & Additional Features:
  - Any additional functionality requested beyond the agreed scope will be subject to a separate quotation.
  - Each additional feature, based on requirements, may cost up to LKR 4,000, depending on complexity and implementation needs.
  - Payment for such additions is required prior to development.
- Confidentiality:
  Both parties agree to maintain confidentiality under a Non-Disclosure Agreement (NDA).
- Ownership:
  Ownership of the final system deliverables will be transferred to USN Auto Parts Industries Upon receipt of full payment.
- Change Management

WebxKey Pvt Ltd will not be held responsible for any system changes or decisions made by the client without prior written approval.

3. Acceptance

Please sign below to confirm your acceptance of the terms outlined in this agreement. For any inquiries, feel free to contact us at info@webxkey.com or call +94 755 299 721.

We appreciate the opportunity to partner with you and are committed to delivering a high-quality solution. We look forward to a successful and lasting collaboration.
